

## SCHOOLS

### 1. Have Schools been notified?

Contact has been made with all schools and we will liaise with schools in order to provide them with information for the parents and students in relation to school access in advance of each road closure.

Schools will be issued with all details on the timing of works and associated TM Plans.

### 2. What will happen in relation to access to Schools and State Exams in the immediate vicinity of the works?

The phasing of the works as been planned to try and minimize disruption to schools in the immediate area.

Phases	Dates of closure	Traffic Management
Phase 1A: Bank Place	4th June – 9 <sup>th</sup> June 2019	No impacts on traffic flow on North Main Street.  Diversion from Watergate Street via Old Cork Road.
Phase 1B: Bank Place	10th June – 17 <sup>th</sup> June 2019	As work progress across to North Main Street.  Stop and Go will also be in place on North Main Street and on the Bridge Place will lead to possible delays. Motorists will be encouraged to use the planned diversion for this section.  Allow additional time for traffic coming over the bridge and coming from North Main Street.

Access to Schools:

Coming from	Going to	Diversion / Impact
Bandon Town	Hamilton High School	No Impact – Use North Main Street
Watergate Street	Hamilton High School	Old Cork Road Macroom Road Kilbrogan Hill

Bandon Town	Scoil Phadriag Naofa	Old Cork Road Macroom Road Kilbrogan Hill
Watergate Street	Scoil Phadriag Naofa	Old Cork Road Macroom Road Kilbrogan Hill

There will be no impact to school traffic travelling from the Dunmanway direction.

All secondary schools have been met and spoken to on the upcoming works ahead of state exams. All exam staff will be notified of the work by the school to account for extra time to get to exam centres.

Collection of exam papers from Garda station has been agreed between the schools and the Bandon Garda Station. These will be earlier for the duration of the exams to allow extra time for the upcoming works.

School buses will be notified of upcoming works and diversions from the schools.

All second schools in Bandon will be issued with the information on the closures in the event that exam staff or students will be impacted from the road closure.

For further information regarding the works please contact the project team or Lisa Garrett, the Community Liaison Office for Ward and Burke Construction Limited, on 086 780 9964.
